3. All attendees introduced themselves.
4. Andrew Cullen gave a presentation (see attachment) on:
   a. State Funding Outlook
   b. Capital Outlay
   c. Debt Service
   d. Operations and Maintenance (O & M)
   e. Student Fees

The following topics were discussed as follow-up topics for future meetings:
   • Regents Report Format
   • FY09 Academic Affairs Consolidated Operating Budget Summary by College/School/Division
   • What is the breakdown of revenue sources for each Bond issue and the breakdown of projects for each bond issue?
   • What was the total Debt Service paid (Principal and Interest) for the last 10 years?
   • What % of the FY09 Budget Funds Debt Service?
   • Questions on Regents Endowment: What is the total Endowment, how much was allocated in FY09 and which programs received this allocation?
   • What are the federal and state requirements regarding use of bond proceeds?
   • A schedule of the transfers in and out between funds as well as their purpose
   • A detail schedule of student fees (with amounts and projects or purpose of fees)
   • Source website or procedural manual outlining how bonds can be used, their sources of payment, etc
   • More information on System Bonds (if terminated or cancelled does this free up $ since debt is not being serviced and bond is not from State?)
