7. New Business

- a. Informational: Credit transfer for D's. This proposal allows an appeal process to transfer courses with grades of "D" from institutions outside the state of New Mexico.
  - a. Discussion: Courses scheduled across terms (Grading Options). Registrar's Office. Alex Reber met with the FSCC and discussed ideas of how to handle "place holder grades" for courses that don't end within one semester and may overlap several semesters. One idea that would not impact financial aid would be "open learning courses". Further discussions will be held with A & R and the Registrar's Office.
  - b. Academic Council Update: Keating provided updates on the Assessment of the Core Curriculum and UNM Branch Certificates request to lower the credit hours for certificates from 30 to vocational credit hours of completion.
  - c. Other?
8. Adjourn. Next meeting. Discussion: We will probably need two meetings one on January 25<sup>th</sup> and our regularly scheduled meeting on Friday, February 1<sup>st</sup> in Roberts room, Scholes Hall 10:00 a.m. –noon.
