☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The current catalog language for music education students general education requirements in Arts and Design is confusing for them. More importantly, the current language excludes architecture, Chicana/o, and rock and roll courses for which all other UNM undergraduates receive Arts and Design general education credit. This exclusion penalizes music education students who transfer to UNM from community college and/or change majors to music education. In addition, the exclusion discourages music education students from taking a course on Chicana/o musical cultures, which does not align with UNM's values of diversity, equity, inclusion, and access.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
