☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The Physician Assistant Program is submitting this change to adjust credit hours for two courses and correct one course number. One course (PAST 531) is decreasing by one credit hour, and another course (PAST 600) is being added back to the degree for one credit hour after mistakenly being removed in the last cycle in which large-scale curricular changes were processed in response to Medical School curriculum changes. We are also correcting the number of one course (PAST 552), which was also a mistake from the previously submitted changes.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
