☐ **This Change affects other departmental program/branch campuses**

**Reason(s) for Request** \* (enter text below or upload a doc/pdf file)  
Since this is a transfer degree, our goal is to reflect all options/requirements for pre-admission coursework needed before students apply to Anderson for the BBA degree. Please see complete justifications/explanations in the attached file above. (Note: MGMT 158 added as an option for assessment purposes.)

**Statements to address budgetary and Faculty Load Implications and Long-range planning** \* (enter text below or upload a doc/pdf file)  
Most of the options we added for our students are already taught, so no faculty load or budgetary implications. Only the MGMT 158 is a new course for our campus and it will be offered in place of something else once per year or every other year.
