Exact Title and Requirements as they should appear in the catalog
Changes can be found in []

1. See left column on top of page 370, first paragraph.

"The Athletic Training Major is a [132] credit hour degree program. The curriculum is comprised of [83] credit hours that consist of competencies within 12 educational domains set forth by the NATA."

2. See page 371, heading "Athletic Training".

"Athletic training students must obtain a "B-" or better in all AT courses to advance in the UNM-ATEP. A grade of C (not C-) or better is required for all general content course work that counts toward the [132] hour degree."

Total [132]

Athletic Training Education Program Form C

Reason(s) for Request

As per the recent Commission on Accreditation of Athletic Training Education (CAATE) site visit, increase total Athletic Training Education Program credit hours from 128 hours, to 132 hours. This is the result of three course credit hour adjustments: PEP 273 (from 2 credits, to 3 credits), PEP 284 (from 1 credit, to 3 credits), and PEP 285 (from 2 credits, to 3 credits). See PEP 273, 284, and 285 Form A for further details.

Note: These courses already meet on a 16-week, 3 credit hour SCHEDULE to satisfy CAATE standards. The number of credits earned needs to reflect the current course schedule.

Statements to address budgetary and Faculty Load Implications and Long-range planning

Since the courses already meet on a 16-week, 3 credit hour schedule, faculty/graduate assistant loads were previously adjusted. No loads will further be affected as a result of this formal change.
