This Change affects other departmental program/branch campuses

Reason(s) for Request * (enter text below or upload a doc/pdf file)

FLL has or is in the process of expanding its advanced classes in Chinese, Japanese, Latin, and Greek, and therefore such languages should be available to fulfill the requirements for the Languages Majors (Option A + B). Students have been asking about using just such languages, so the catalog should not give the impression that such options are not available to them.
