Organizational Behavior/Human Resources Management 15 hours Organizational Behavior/Human Resources Management (OB/HRM) concentration focuses on developing student knowledge and skills to better manage people to foster organizational success. Careers resulting from the OB/HRM concentration include positions in human resources management, organizational development, organizational consulting, and general management. Course Requirements: Five courses are required to complete the concentration. The courses can be selected from the following: *463, *465, *466, *468, *469, 507, 560, 561, 562, 563, 565, 566, 567, 568, and 569. Students may substitute other Anderson School courses, or courses outside the Anderson School, with the approval of the faculty advisor.

This Change affects other departmental program/branch campuses
