Reason(s) for Request (enter text below or upload a doc/pdf file)

The proposed Form C is being submitted to delete the Family Relations Concentration of the Master of Arts in Family Studies. This request is being made as part of a major revision of both Master of Arts and PhD in Family Studies degree programs. Family Studies and Early Childhood Multicultural Education Programs have merged into the Family & Child Studies program at the undergraduate level and the proposed curricular change is part of a number of forms that are being submitted to complete the merger of both programs at the graduate level. This Form C removes the Family Relations concentration. Its contents are part of the revision of the Human Development in Families concentration that is also being submitted. This concentration is no longer needed and a new concentration in Early Childhood Studies will be proposed in its place [see affiliated Form C].

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
