Exact Title and Requirements as they should appear in the catalog:

Management Information Systems Concentration Web site:

<http://masters.mgt.unm.edu/curriculum/mis.asp>

One semester of programming experience (i.e., CS 152L, MGMT 330, or equivalent) is a prerequisite for the concentration.

**Required courses:** MGMT 634 and 637

To satisfy requirements for the concentration, students must take at least 12 hours (4 courses) of approved management information graduate coursework. In addition to MGMT 634 and 637, the remaining two (2) courses must be selected from the following: 630, 631, 632, 635, 636, 639 (Advanced Topics in Management Information System; multiple sections may be used

as long as the topics vary), and 647. Students are strongly encouraged to work with the faculty concentration advisor as early as possible in their degree program to plan a suitable program of study.

Does this change affect other departmental program/branch campuses? Yes \_\_\_\_ No X

Reason(s) for request:

Statements that include justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications:

This request adjusts the Management Information Systems concentration catalog description to align with the new credit hour program requirements which have been submitted in Form C1380.

In Form C1380, Anderson is requesting a revision of the credit hours required to receive an M.B.A. Form C1380 was the result of a 3-year review of the M.B.A. curriculum and removes the option that allowed waivers of core courses. In order to cover the additional sections of core courses that will be necessary with the removal of the waiver, concentration requirements have been reduced in order to free existing faculty resources to cover the additional sections of core courses that will be necessary.
