Concentration Justification

2) Spanish 541 "Approaches to Language Teaching Methodology". The faculty approved a change whereby this course can now count towards Hispanic Linguistics requirements. The MA programs in Hispanic Literature and Southwest Studies in the Dept. of Spanish & Portuguese require that their students take 3 (Hispanic Literature) or 6 (SW Studies) credits of Hispanic Linguistics classes. Previously, Spanish 541 was not allowed to count as a Hispanic Linguistics course. However, all faculty, including Hispanic Linguistics faculty, agree that Span 541 is part of the Hispanic Linguistics program and, as such, should count as a Hispanic Linguistics course for students in the Hispanic Literature and SW Studies programs in our Dept.
