Justification

Proposed
Program Justification

There was an inconsistency in the archaeology course requirements for the Anthropology minor. One of the options included a course (Anth320) with a prerequisite (Anth1121 and Anth1121L) that was not a part of that option. The proposed change will simplify this pathway so that three courses (Anth1121, 1121L, 2175) will be one of the two pathways in archaeology to obtain the minor in Anthropology.
