MS in Pharmaceutical Sciences with a concentration in Pharmacoeconomics, Epidemiology, Public Policy, and Outcomes Research with an emphasis in Health Services Research REGISTRAR'S NOTE: Current title of the emphasis is Pharmacoeconomics and Outcomes Research.

**This Change affects other departmental program/branch campuses**

Reason(s) for Request      \* (enter text below or upload a doc/pdf file)

The research and graduate education focus of the PEPPOR faculty have changed in recent years and the replacement of Pharmacoeconomics and Outcomes Research emphasis with the Health Services Research emphasis is necessary.

Statements to address budgetary and Faculty Load Implications and Long-range planning      \* (enter text below or upload a doc/pdf file)

This renamed emphasis is the result of the strategic planning of the PEPPOR faculty and is central to their long-range plans to expand graduate education. There is no budgetary or faculty load implications with the hiring of two new PEPPOR faculty in the last two years.
