☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

The purpose of this revision is to clarify to students that they can repeat each of the following courses only one time: SPCD 564L, SPCD 566L, 567L, and 568L. These courses require a demonstration of high competence on the part of the students and it is important to ensure that students demonstrate competence by earning a grade of "B" or better within a maximum of two times. More than one repeat would indicate serious problems with the course content, inconsistent with the professional responsibilities of an Educational Diagnostician.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
