Reason(s) for Request (enter text below or upload a doc/pdf file)

We have added a clarification for the required language courses and corrected the distribution of hours required for language and culture courses. The proposed modifications will better align the Italian minor with the German and French minor. Italian minors will also be given more flexibility and options in selecting courses with Italian content from other departments. This will streamline their path to graduation. More details could be found in the attached file.
