Form C – Accounting – 12 credit hours

Accounting Concentration Web site - <http://masters.mgt.unm.edu/curriculum/accounting.asp>

**Requirements:** Students pursuing the MBA with a concentration in Accounting are required to have a bachelor’s degree with an accounting concentration from an AACB accredited school. MGMT 546, Financial Accounting III, is a required course, unless the Accounting Concentration Advisor approves a substitute accounting course.

To satisfy requirements for the concentration, students must take at least 12 hours (4 courses) of approved accounting graduate coursework. In addition to MGMT 546, the remaining three (3) courses must be selected from the following: 524, 547, 548, 553, 559, 590, 592, 593, 594

(accounting special topics only), 640, and 643. Students who are planning on taking the CPA exam are strongly recommended to visit with a faculty advisor before selecting courses from the list of electives.

Does this change affect other departmental program/branch campuses? Yes \_\_\_\_\_ No  X

Reason(s) for request:

Statements that include justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications:

This request adjusts the Accounting concentration catalog description to align with the new credit hour program requirements which have been submitted in Form C1380.

In Form C1380, Anderson is requesting a revision of the credit hours required to receive an M.B.A. Form C1380 was the result of a 3-year review of the M.B.A. curriculum and removes the option that allowed waivers of core courses. In order to cover the additional sections of core courses that will be necessary with the removal of the waiver, concentration requirements have been reduced in order to free existing faculty resources to cover the additional sections of core courses that will be necessary.
