## Development and Approval of Faculty Policies

---

### POLICY RATIONALE

---

The Faculty Handbook provides University of New Mexico (UNM) faculty with a written record of faculty policies and procedures. Policies in the Faculty Handbook are unifying documents that describe academic principles, the reasoning behind the principles, and institutional procedures necessary for implementation. Faculty Handbook policies contain governing principles and procedures that mandate or constrain actions and apply to UNM faculty; therefore, the development of policies requires input from faculty members who have extensive knowledge on the subject matter and review by faculty members from a variety of academic disciplines at UNM.

---

### POLICY STATEMENT

---

All UNM policies which pertain primarily to faculty and academic matters are placed in the Faculty Handbook and are subject to the review and approval requirements defined in this Policy Document. The scope of Faculty Handbook policies is established by the Faculty Constitution and the right to review and take action on these policies is granted to the faculty by UNM Board of Regents Policy 5.1 "The Faculty's Role in the University's Academic Mission."

This policy describes the process used to develop or amend Faculty Handbook policies, solicit input, and obtain approval.

**1. Proposing a New Policy or Changes to Existing Policy.** Any faculty member wishing to propose a change to an existing Faculty Handbook policy or propose a new policy should send their request to the Office of the University Secretary, who will forward it to the Faculty Senate Policy Committee (FSPC, the Faculty Senate Research Policy Committee (FSRPC), or the Academic Freedom and Tenure Committee (AF&T) for consideration. The designated policy committee will review the request and work with the appropriate Faculty Senate committee(s) to determine the most effective course of action.

**2. Approval.** Proposed new faculty policy statements, in their entirety, and changes to the Policy Rationale, Policy Statement, Applicability, and Definitions sections of existing policies will be posted on the Faculty Senate website for review by UNM faculty members. The Office of the University Secretary in consultation with the Chair of the FSPC, FSRPC, or AF&T will address any comments received from faculty and will forward the final proposed draft to the Faculty Senate

for approval. Due to the nature of the policy or previous approval history, specific policies will also require approval by University faculty, the UNM Board of Regents, and/or the UNM President and/or Provost or the Chancellor for Health Sciences. Proposed changes to procedural and information portions of a policy document will be reviewed by the FSPC, FSRPC, or AF&T in consultation with the responsible Faculty Senate Committee(s) listed in the Policy Heading. After review and consultation, the proposed changes can be made with approval by both the FSPC, FSRPC, AF&T and the Faculty Senate Operations Committee.

### **3. Distribution and Notification of New or Amended Policy.**

Upon approval, the new or amended policy will be placed on the [Faculty Handbook](#) website and announced to the campus. Deans and department chairs, or their designees, are responsible for:

- informing their faculty members of new policies or changes to existing policies; and
- updating all related departmental processes, procedures, and/or documents to reflect new or amended policies.

---

## APPLICABILITY

---

## PROCEDURES

---

Faculty Handbook policies are designed to ensure that policy level portions can only be changed with approval of the Faculty Senate, but also allow for a streamlined approval process for procedural and information oriented sections of the policy to allow for timely updating to reflect new practices and/or information.

1. Faculty Handbook policies are composed of the following sections.

**1.1 Heading.** In addition to policy title and number, the heading of the policy identifies:

- The approving bodies (i.e. Faculty Senate, Provost/Chancellor for Health Sciences, President, Board of Regents, and/or University Faculty).
- Responsible Faculty Senate committee(s).
- Office responsible for administration of the Policy.

**1.2 Policy Rationale.** Describes the reason for the policy, its relationship to UNM's academic values and/or mission, and any philosophical, stewardship, legal, regulatory, or other requirements the policy aims to meet.

**1.3 Policy Statement.** Includes the overall intention and direction of the policy and major mandated actions or constraints. It does not include procedures, which are placed in a separate section to allow for greater flexibility when updating is necessary.

**1.4 Applicability.** Identifies which individuals and/or University units are subject to the policy. Some policies may apply to the entire academic community, while others may apply only to Main Campus, the Health Sciences Center, and/or Branch Campuses.

**1.5 Definitions.** Defines terms that have specialized or particular meaning in the policy.

**1.6 Who Should Read This Policy.** Lists individuals who must understand the policy in order to make decisions and/or do their jobs.

**1.7 Related Documents.** Lists related UNM policy documents and other UNM and external documents that provide helpful, relevant information.

**1.8 Contacts.** Contains information to assist faculty members in complying with the policy.

**1.9 Procedures.** Includes procedures necessary for policy compliance and outlines how the policy's requirements will be met.

**1.10 History.** Lists dates of amendments and summary information on changes approved.

**2. Approval process for Policy Level Portions of Faculty Policies.** Changes to policy level portions of the policy (sections 1.2 –1.5, herein) require approval by the approving bodies listed in the policy heading. At a minimum this includes the Faculty Senate and depending on the impact of the policy, approval may also require action by the President or Provost/Chancellor for Health Sciences, Board of Regents, and/or University faculty.

**3. Approval process for Procedures, Guidelines, and Information Portions of Faculty Policies.** Changes to procedural and information portions of the policy (sections 1.6 –1.10, herein) can be made with approval by both the Faculty Senate Policy Committee (FSPC), the Faculty Senate Research Policy Committee (FSRPC), or the Academic Freedom and Tenure Committee (AF&T) and the Faculty Senate Operations Committee in consultation with the responsible Faculty Senate Committee(s) listed in the policy heading.
