Portuguese: Eighteen hours in courses numbered 276 or above. Students planning to minor in Portuguese should consult with the Department undergraduate adviser.

This Change affects other departmental program/branch campuses

Reason(s) for Request * (enter text below or upload a doc/pdf file)

Add in seeing an adviser. Also, Port. program now offers 3 beginning courses for students (Port. 275, 101 and 102) and feels it no longer needs to include beginning courses as components to the minor. Hours toward the minor will begin at the intermediate level rather than the beginning.

Statements to address budgetary and Faculty Load Implications and Long-range planning

No impact. All the courses are being offered in rotation by current faculty.
