Reason(s) for Request (enter text below or upload a doc/pdf file)

The College of Education (COE) requests a change in name from the College of Education to the ***College of Education and Human Sciences***. The reason for this request is to change to a name that more accurately reflects the range of disciplines currently represented in the College and more accurately describes the work that we do (on main campus and at branch locations). Based on majority faculty vote, we propose to change the name of the College to the College of Education and Human Sciences.
