## Justification

---

Proposed  
**Program Justification**

BUSA 1110 is intended for Anderson freshmen with a BBA major only. Part of the focus of the class is how to be a successful college student, campus involvement (i.e., required attendance at career fair and internship fair), exploring the various concentrations and the career paths they lead to, meeting with an Anderson academic advisor, etc. None of this would apply to a student in another major who just has MGMT as a minor and is not a freshman interested in a business career. We currently have 405 students with a MGMT Minor. The department requests that BUSA 1110 be removed and replaced with MGMT 398 which would benefit any student in any major and allow them to take another Anderson course as part of the MGMT Minor.

**Program Justification**

This change is intended to update the requirements for a minor in Management to better align with schools that accept the Management Minor.
