Reason(s) for Request * (enter text below or upload a doc/pdf file)
Decreased enrollments in this program over the last five years,drew attention of the Comprehensive Review Committee and the Provost office based on their recommendation decided to cut the program as cost savings measure. The department is planning aiding students in the pipeline by offering the capstone class (Phil 485) one last time in Fall 2011 to ensure graduation and no new students will be admitted into the program.

Statements to address budgetary and Faculty Load Implications and Long-range planning
This will not change the departments (Economics and Philosophy) budgets.
