This Change affects other departmental program/branch campuses

Reason(s) for Request * (enter text below or upload a doc/pdf file)

Portuguese program now offers 3 beginning courses for students (Port 275, 101 and 102) and feels it no longer needs to include beginning courses as components to the major. The hours for the major will begin to count at the intermediate level, rather than the beginning level.

Statements to address budgetary and Faculty Load Implications and Long-range planning * (enter text below or upload a doc/pdf file)

No change to faculty load or budget. All the courses in the curriculum are being taught regularly and in rotation by the current faculty.
