☐ Does this change affect other departmental program/branch campuses? If yes, indicate below.

Reason(s) for Request (enter text below or upload a doc/pdf file)

The old requirement of two languages has become outdated. French Ph.D. programs across the country have cut back to reading knowledge of one or no additional language. Maintaining the two language requirement is less relevant with the increased availability of translated material and puts the program at a recruitment disadvantage.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
