RATIONALE & OBJECTIVES

The stated aim of the "U.S. & Global Diversity & Inclusion" undergraduate degree requirement is to promote a broad-scale understanding of the culture, history or current circumstance of diverse groups of people who have experienced historic and/or contemporary inequitable treatment in the U.S. or in a global context.

The Division for Equity and Inclusion posits that **inclusive excellence** requires a healthy and inclusive campus climate and refers to the processes by which the University leverages diversity as its' strength to enhance an understanding and connection with diverse communities, ensure the success of all UNM students, and advance the academic enterprise. For more information: diverse.unm.edu.
