Second Major Study Requirements: Portuguese: Twenty-four hours in Portuguese courses numbered 276 or above. Students planning to second major in Portuguese should consult with the Department undergraduate adviser.

This Change affects other departmental program/branch campuses

Reason(s) for Request * (enter text below or upload a doc/pdf file)

Add in a request for students to see an adviser that was not in the description before. Also, Port program now offers 3 beginning courses for students (port 275, 101 or 102) and feels it no longer needs to include beginning level courses as component of the second major. Hours toward second major will begin at intermediate level not beginning level.

Statements to address budgetary and Faculty Load Implications and Long-range planning

No impact. All courses are currently being taught in a rotation by the existing faculty.
