Reason(s) for Request (enter text below or upload a doc/pdf file)

NAS would like to provide more options for students in their degree choices. A second major in NAS will allow students who want to elevate their minor degree to a second major, thereby enhancing their overall education in Native American Studies, strengthening their transcript and knowledgebase, and broaden their job opportunities in NAS fields. A second major in NAS will also provide a more robust transcript for NAS students seeking graduate or professional school opportunities.
