Does this change affect other departmental program/branch campuses? If yes, indicate below.
Reason(s) for Request (enter text below or upload a doc/pdf file) The progressive demands of New Mexico's complex rural and underserved health care environment requires the highest level of scientific knowledge and practice expertise to ensure quality patient outcomes. Additionally, the clinical practice arena has experienc a precipitous expansion of knowledge underlying practice, increased complexity of acute and chronic patient care, quality and safety issues, and nursing personnel shortages, all of which demand that advanced practice nursing leaders design new delivery models and provide access to care. The clinical doctor of nursing practice concentration will graduate Advanced Practice Nurses with the clinical and leadership skills needed to improve the health of New Mexico's residents.
Upload a document that inleudes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
