☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

This change is to address issues that were identified with our current curriculum. This is the proposed solution, that was voted on by the faculty in chemical engineering. The changes to the curriculum have been discussed with the Associate Dean for Engineering and all concerned departments.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
