Reason(s) for Request (enter text below or upload a doc/pdf file)

In view of different languages having different credit hours to reach the 300 level (e.g., Arabic takes 24 hours while Spanish takes 12) and considering that we want students to have a minimum of Intermediate-Advanced on the ACTFL scale, which is also variable across levels for different languages, we have decided to impose a higher level language requirement for the International Studies major. This requirement will guarantee a sufficient level of proficiency and avoid advising confusion whatever the language as student may choose.
