Reason(s) for Request (enter text below or upload a doc/pdf file)

The concentration has always been consistently under enrolled, more so since the elimination of group requirements. The few students who had selected it previously had typically done so following or while taking the four semester language requirement. Others had selected it as a place to "wait" while applying to the Signed Language Interpreting Program. The number of graduates with the concentration is very limited. There are currently no students that we know of in the concentration. \*\*\*BA-LING-AS SLS\*\*\*
