☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

Multiple trends and drivers in the health and healthcare landscape in New Mexico have resulted in the emergence of new roles for frontline health workers, including health sector economics, initiatives within state government, and population health trends. Not only is the health industry the fastest growing sector of the economy, but CHWs are one of the three fastest growing jobs within that sector. As an illustration, in Taos County (2015), 65% of the new jobs were in the health sector. ***REGISTRAR NOTE: SEE TAOS FIRST PAPER PROOF EDIT***
