Exact Title and Requirements as they should appear in the catalog. If there is a change, upload current and proposed requirements.

See current catalog for format within the respective college (upload a doc/pdf file)

Does this change affect other departmental program/branch campuses? If yes, indicate below.

Reason(s) for Request * (enter text below or upload a doc/pdf file)

Chicano Hispano Mexicano Studies requests a subject code that is aligned with the name change to Chicana and Chicano Studies. Therefore, we request to use CCS in lieu of CHMS. We believe this subject code more accurately represents the proposed name and is more appropriate. In addition, there is less likelihood that this subject code may be confused with the Chemistry subject code, which had happened in the past with the CHMS subject code.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. *
