FY21 Health Care Premiums

Human Resources- Joey Evans and Dorothy Anderson

Mr. Joey Evans reported projections are done in advance. He stated the projected FY21 Medical Plan increase is 4.9%.

Express Scripts Savon Program

Human Resources- Joey Evans and Dorothy Anderson

Offered through partnership between ESI and SavonSP. Specialty medications are not subject to ACA out of pocket maximum requirements

- Approximately 150 in 19 therapy classes

Faculty and Staff Benefits Committee

- Approximately 130 UNM employees are eligible.

Sets copay maximize manufacturer copay assistance available.

Example:

- \$12,000 manufacturer copay assistance available,
- Sets copay at \$1,00 per month
- SavonSP facilitates manufacturer copay assistance
- Patient actual copay is \$0.

Cost of specialty medications under SavonSP program are no included in the out of pocket maximum, but patient copay is \$0. Projected savings, net program fees, is \$1,200,000 annually. All other IBAC (ASP, NMPSIA, State of NM, RHCA) employers are now participating. Implementation date is July 1, 2020. 60 days prior to implementation letters sent to all eligible participants, 30 days prior to implementation SavonSP sends follow up letter. After effective date, Accredo, ESI's specialty pharmacy, will warm transfer eligible participants who have not enrolled to SavonSP. Specific language and requirements for the SavonSP program will be included in UNM's Express Scripts Participant Benefit Booklet and Benefits at a Glance materials.
