Select Action Revision ▼

Exact Title and Requirements as they should appear in the catalog.

See current catalog for format within the respective college (enter text below or upload a doc/pdf file)

REGISTRAR'S NOTE: A Form A was recently approved to change credit hours for EMS 113 back to 6 hrs., rather than the 8 hrs. noted in the attachment to this form. Gloria Napper-Owen was consulted, and dept. is OK with overall hours for the degree being 130 rather than the 132 also noted in the attachment.

[UNM-ATEP Advisement Tool for catalogue.pdf](#)

☐ **This Change affects other departmental program/branch campuses**

Reason(s) for Request * (enter text below or upload a doc/pdf file)

The EMS Academy has changed the hour requirements for EMS 113 from 6 credit hours to 8 credit hours. This is a required course in the ATEP curriculum; therefore, to adjust total curriculum credits, HED 171 has been removed from the curriculum. MATH 121 is required for upper divisional exercise science courses in the curriculum; therefore MATH 121 will be required instead of either MATH 120 or 121 at the recommendation of Dr. Kravitz, Exercise Science Program Coordinator. Additionally, we added a PEP 391 Problems course for 1 credit to achieve a total of 40 credit hours of upper divisional courses. The ATEP curriculum will now consist of 132 total credits.

Statements to address budgetary and Faculty Load Implications and Long-range planning

* (enter text below or upload a doc/pdf file)

There are no budgetary or faculty workload implication as the courses within EMS are addressed with their current faculty.

Athletic Training Curriculum

Athletic Training Students must obtain a "B-" or better in all athletic training courses to advance in the UNM-ATEP. A Grade of C (not C-) or better is required for all general content courses work that counts toward the 132 hour degree.

| COURSE | | HOURS |
|--------------------|---|-----------|
