Reason(s) for Request * (enter text below or upload a doc/pdf file)
CFA faculty voted to increase required upper division credit hours from 40 to 42, a number divisible by 3, the number of credit hours for most of our courses. This increase is accommodated by each of our degree programs, drastically reduces the number of petitions of substitution, and aligns our requirements with those of other schools and colleges.

Statements to address budgetary and Faculty Load Implications and Long-range planning * (enter text below or upload a doc/pdf file)
There are no budgetary and faculty load implications, and fits within our long-range planning to ensure academic excellence and improved graduation rates.
