Justification

Program Justification

Program provides high achieving UNM UG students the opportunity to apply and begin MSCBA program early. Structure of program uses existing policy which allows students to share up to 9 credit hours of coursework between UG and GR degrees. Putting program in the catalog notifies students of availability and allows advisors across campus to properly advise and promote the program.

Catalog Information

Program Description

The Anderson school of Managements "4-1" program allows students completing an undergraduate degree at UNM to begin. their MSCBA studies early. It is recommended that students complete Business Calculus and undergraduate statistics before applying. For the first three years of university studies, the student pursues a normal program of undergraduate work. During the junior year of academic work, the student applies for admission to the MSCBA program of the Anderson Graduate School. In the senior year of academic work, the student begins the first year of the MSCBA program and also completes the requirements for a bachelor's degree in the undergraduate field. In the final year of study, the student completes the remaining requirements for the MSCBA program.

Admissions Requirements

The Minimum requirements for a complete application to the Anderson MSCBA are:

- Completed bachelor's degree
- At least 30 credit hours of undergraduate or graduate course in management, accounting, information systems, economics, STEM discipline, or a combination thereof
- Proficiency in English language professional communication demonstrated by undergraduate courses, professional experience, or both. Students who lack proficiency may be admitted provisionally with completion of one or two undergraduate professional communications courses selected by the faculty advisor or admission committee in the first two semesters. The courses must be completed with grades of B or better.
- Must have cumulative GPA of 3.0 or better, or a GPA of 3.0 or better in the last 60 credit hours
- A score equal to or greater than 500 on the Graduate Management Admissions Test (GMAT), or a Graduate Record Examination (GRE) score that is equal to or greater than 500 on the quantitative section and a score equal to or greater than 500 on the verbal section.

For additional information about the Anderson MSCBA application process please visit: [Application Process :: Anderson Prospective Students | The University of New Mexico \(unm.edu\)](#)

For additional information about the Application process for international applicants please visit: [International Admissions | The University of New Mexico \(unm.edu\)](#)

Please see the Anderson MBA admissions site for information about the GMAT/GRE waiver policy: [Entrance Exam Information :: Anderson MBA Program | The University of New Mexico \(unm.edu\)](#)

Graduation Requirements

Escape Clause. Program requirements should define the steps to be taken by students who choose not to complete both degrees, and by departments that choose not to advance a student to the graduate portion of the program. Students who choose not to complete the graduate portion of the program are still awarded the undergraduate degree when all undergraduate requirements are met.
