☒ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)
Reason for Request: -The primary objective of the PSTM Concentration is to enhance the ability and competitiveness of BSGP graduates to pursue careers in biomedical science within and outside academia. While not all BSGP students will, those who choose this Concentration are expected to benefit in future job settings from developing their management skills. -Students graduate with a Concentration in Professional Science and Technology Management; on their transcript acknowledging the additional training completed in this interdisciplinary program. -The PSTM will be available to students in either the M.S. or Ph.D. degree programs, with the majority of students pursuing a Ph.D.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
