Justification

Proposed

**Program Justification**

This re-design of the Minor in Military Studies is designed to make the Minor in Military Studies more accessible to all students and enable most, if not all ROTC students to receive the Military Studies Minor. This will make the Minor more accessible to students who switch ROTC programs or are unable to complete ROTC.

Existing

**Program Justification**

This is a catalog update. No changes are being made to curriculum requirements. We are adding descriptive information and making corrections to the degree requirements.

Proposed

**Program Description**

The Minor in Military Studies requires 15 hours of upper division credit comprised of courses selected from the options below.

Courses that award credit for physical fitness, summer military training, or deemed as a laboratory do not count towards the minor.

A grade of "C" or better must be earned in all courses counting toward the minor.

Existing

**Program Description**

The minor in Military Studies offers four options:

- Air Force Option is available to all students.
- Army Option is available to students in the Army ROTC program.
- Navy or Marine Corps Option is available to all students.
