Catalog Page Number 90 Select Category Concentration ▼ Degree Type

Select Action Revision ▼

**Exact Title and Requirements as they should appear in the catalog.**

See current catalog for format within the respective college (enter text below or upload a doc/pdf file)

Replace Management Information Systems concentration requirements with the following: "One semester of programming experience (i.e., CS 152L, MGMT 330, or equivalent) is a prerequisite for the concentration. Requirements: MGMT 634 and 637. In addition to the two required courses, students must select three additional courses from the following: MGMT 630, 631, 632, 635, 636, 639, 647, and 648. Multiple MGMT 639 sections may be used to satisfy concentration requirements as long as the topics vary. (Students should visit with the faculty concentration advisor to determine what additional course options are available.)

**This Change affects other departmental program/branch campuses**

Reason(s) for Request \* (enter text below or upload a doc/pdf file)

Update concentration requirements to reflect renumbered courses.

Statements to address budgetary and Faculty Load Implications and Long-range planning \* (enter text below or upload a doc/pdf file)

No changes to budgetary or faculty load implications - renumbered courses will be offered on the same schedule as were the problems course sections that they replace.
