Reason(s) for Request (enter text below or upload a doc/pdf file)

When the Honors College was instituted in 2012, it offered a BA, a minor, and a transcribed certificate program titled the Honors College Designation. At 15 CH, the Honors College Designation was intended to provide a pathway through which students who were pursuing degrees with tightly restricted electives could gain some of the benefits of an Honors education with less required UHON coursework. Although the previous version of the Honors College Designation has been reasonably successful in graduating a larger number of students than previously, over the last year or so, Honors College administration and faculty have realized that revisions to this certificate program may make it even more successful.
