Reason(s) for Request (enter text below or upload a doc/pdf file)

Program faculty are revising the FCS HDFR concentration following the review of our accreditation standards. We are submitting Form As to delete four courses that are no longer required for the CFLE certification and are redundant with other courses we teach. We are also proposing to add one course (FCS 303: Infant Growth and Development) to be more consistent with our existing developmental courses.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
