☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)
The Organization, Information and Learning Sciences will update the requirements of the Adult Education and Professional Development concentration under the MA Program. Instead of having three required courses and two elective courses from a list of 8 courses. We provided a wide range of choices for our students. We found that our students who enroll in the Adult Education and Professional Development concentration are very diverse regarding their professional goals. As a result, the OILS faculty decided to provide more flexibility for our students.
