# Justification

---

Changes

**Program Justification**

To provide more flexibility to students who want to receive a minor in OILS, we reduce the number of required courses from 4 to 2.

Changes

**Program Description**

The Organization, Information & Learning Sciences Program of the University of New Mexico offers a minor in Instructional Technology & Training that focuses on providing students with the background needed to design and develop online and face-to-face training. The 18 credit-hour program consists of undergraduate level courses that address how adults learn, training design, program evaluation, and the use of technology to manage learning programs.
