See current catalog for format within the respective college (enter text below or upload a doc/pdf file)

Deletion is in red in the attached document

[Curriculum in Computer Engineering0410.doc](#)

**This Change affects other departmental program/branch campuses**

Reason(s) for Request    \* (enter text below or upload a doc/pdf file)

ECE 409 Engineering Ethics will be deleted effective fall 2009. The content of the course is being incorporated into ECE 419 and 420 Senior Design. As the capstone courses of ECE curriculum, 419 & 420 will be able to seamlessly incorporate engineering ethics into its high development and team-oriented curriculum.

Statements to address budgetary and Faculty Load Implications and Long-range planning

\* (enter text below or upload a doc/pdf file)

This course is taught by civil engineering a majority of the time and will not have an effect on ECE budget or faculty loads.
