☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request (enter text below or upload a doc/pdf file)

This change is requested as a result of a larger curriculum change that was approved by the Faculty Senate in spring 2019 and went into effect as of Fall 2019. That change was the addition of 2 courses (6 hours) to the Journalism core within the Journalism & Mass Communication major. This core change affects all concentrations, including Digital Field Media (DFM). In order to keep the *total* number of credit hours in the DFM concentration at 50, we are removing 6 hours from the Electives section of the concentration, as shown on the attached Excel chart.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications.(upload a doc/pdf file)
