Reason(s) for Request (enter text below or upload a doc/pdf file)

We have proposed adding two new courses to the UNM Core, HIST 1100 (a new course) and HIST 1105, already in the NM Common Course Catalog. We'd like these courses to count towards the undergraduate history major requirements as well. We are not altering any other requirements than to allow these new courses to count toward the major. This request is related to Forms B2635, B2636, C2565, C2568

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. (upload a doc/pdf file)
