Justification

Proposed

Concentration Justification

Changes to the Graduate Certificates at Anderson are with the intention of offering students more opportunities to pursue their educational and professional goals. They are designed to be recognized within their respective industries. Updating the list of options in the MACCT certificate will give students more options to pursue courses applicable to their professional goals and development. The additional course options offer more specialized in-depth knowledge and skills opportunities for students. The additional course options also offer more flexibility and will lead to a more time-efficient opportunity.

Grand Total Credits: 15

Proposed

Concentration Description

One semester of intermediate accounting, such as MGMT 340 or 540 or equivalent accounting experience is a prerequisite for this concentration. Students with equivalent coursework will work directly with the concentration advisor. MGMT 594 sections must be topics related to accounting. Multiple MGMT 594 sections may be taken as long as the topics vary.

Existing

Concentration Description

One semester of an introductory financial accounting course, such as ACCT 2110 or MGMT 502, or equivalent accounting experience is a prerequisite for this concentration. Courses approved by the concentration advisor may be substituted for MGMT 544, 549, 559, or 643 provided an equivalent course was not taken in their undergraduate studies. Students with equivalent coursework will work directly with the concentration advisor.
