☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request \* (enter text below or upload a doc/pdf file)  
This change is being made in response to a situation that arose recently in which a student thought that he could combine a music minor with a Bachelor of Music. We wish to make it very clear that the Music Minor cannot be combined with any of the majors in the field of Music.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. \*
