[Catalogue change - Adding Arabic to list of approved languages.doc](#)

☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request * (enter text below or upload a doc/pdf file)
The Department of Foreign Languages requests permission to add Arabic to the list of approved languages for the Major degree in Languages (Track A and Track B). The Department's offerings in Arabic have been steadily growing to meet demand, and Arabic is now a popular option among Languages majors. Until now, we have used exception memos to allow Banner to accept Arabic as an approved language. Given the demand, however, exception memos are no longer viable, and a program change is required. The requested change has no foreseeable impact on long-range planning, budget, and faculty workload.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. *
