☐ **Does this change affect other departmental program/branch campuses? If yes, indicate below.**

Reason(s) for Request * (enter text below or upload a doc/pdf file)
The changes detailed in the attached concentration listing have been made to reflect national experience (adding a statistics course, increasing the capstone project total credit hours), * new recommendations by Masters' Essentials to incorporate geriatric content in ACNP and FNP curricula.

Upload a document that includes justification for the program, impact on long-range planning, detailed budget analysis and faculty workload implications. *
